## A BIG IMPACT

**Y**our support of Bella Vita ("Beautiful Life") is transforming lives.

As the foundation for Soul Purpose, The Pregnancy Center, and The Haven, Bella Vita is making a BIG IMPACT through your generosity.

**Soul Purpose** reaches young women before pregnancy, equipping them with identity and purpose, **The Pregnancy Center** helps moms and dads choose life through medical care and education, and now free child care through Laurie's Place. **The Haven** helps to heal after an abortion, embodying Christ's love.

On behalf of Bella Vita Network—thank you for making this possible!

## OUR STORIES. OUR WORDS.

"Through Soul Purpose, I've formed deep, Christ-centered friendships that have kept me grounded in my faith. I have the privilege of encouraging others, providing resources, and creating spaces where young women feel valued and loved."

**JADA**  
UT LEADER

**ISABELLA**

"I would like to thank the people who support the Pregnancy Center for helping me understand my body & mental health too. Thank you."

"This program was very helpful. I was unaware of the brokenness I was walking in. The group format makes it easier to share our stories. The servanthood from the ladies was phenomenal. Not having to spend money for this retreat I am forever grateful. This was a life changing experience."

VOLUNTEER

“**H**elping teach classes at the Pregnancy Center is a way for me to put my Kingdom values into action. Being able to connect with moms brings me so much joy! It is a great privilege and gift to show the love, hospitality, and kindness of Jesus. The classes foster a community, allowing families to connect on similar journeys of welcoming new life into the world.”

### CHURCH PARTNERS IN ACTION

## THERE'S A NEW KID IN TOWN

**A** beautiful new chapter in Bella Vita Network's mission to champion abundant life. In partnership with Mom's House, this fully funded center will serve as their second location, providing free childcare for 38 additional children while their mothers pursue high school or college degrees.

But Laurie's Place is more than just a childcare center—it will be a refuge of restoration and renewal. This vibrant hub will house Bella Vita's pregnancy and parenting classes, our offices, and the **To-Get-Her Wing**, where 24 community partners will provide critical services to new moms and dads.

From homeownership programs to mental health support, Laurie's Place will be a one-stop shop for abundant life — empowering families with the resources they need to thrive.

We see miracles unfolding every day in the lives of the mothers we serve. Laurie's Place is **FULLY FUNDED** because of your generosity and God's unwavering faithfulness. Celebrate the grand opening with us this May!

PLACE

# BellaVita

SURROUNDS INDIVIDUALS WITH TRUTH, LOVE, AND SUPPORT AT EVERY STAGE.

## Identity & Prevention

Soul Purpose reaches young women before pregnancy, equipping them with identity and purpose to prevent crisis situations.

I joined UT's Soul Purpose chapter because I knew this group of girls would support me as I grow in my faith and I have made the best of friends through Soul Purpose. I am so grateful!

**LAINIEY**

Joining Soul Purpose was the best decision I could've made. Every week I get to grow in my relationship and knowledge of God while making connections and memories with amazing young women.

**RACHEL**

Soul Purpose has helped me embrace the fact that true worth comes from my relationship with Christ rather than validation from others or achieving some sort of "status" from the world. This has empowered me to live confidently and purposefully.

**BRIELEY**

## Support & Solutions

The Pregnancy Center provides life-affirming care and real solutions during pregnancy.

## Healing & Restoration

The Haven walks with those impacted by abortion, offering healing and restoration.

### ARM Abortion Recovery for Men

ARM was started with the realization that for every woman who made an abortion decision in her past, there is also a man. Our hope is that ARM will give men a place to not only talk about a past abortion, but to heal from their part in it.

All Haven programs are designed to offer hope, healing, and encouragement to continue walking in freedom from shame and guilt.

”

I almost didn't go, but my husband told me I needed to and I'm so thankful I did. I didn't know how much I was holding on to and how it was affecting my relationship with my husband and children. I didn't realize it was all from my abortions and my past. Now I'm feeling free from all of it!

**WILLOW**

My heart is full and my mind is finally at peace. Having to read scripture that proved what I needed to know to hear, healed me most.
